Word Project 2026

Course: BSYS-1000-0 - Business Information Systems (FMGT/RMGT)

Criteria	**Level 4** 5 points	**Level 3** 3 points	**Level 2** 1 point	**Level 1** 0 points	**Criterion Score**
Headings	Title and heading styles updated and formatted correctly according to Brand Style Guide.	Mostly consistent with a few style or hierarchy issues.	Uses headings but hierarchy and formatting are inconsistent.	Headings not applied or unrelated to brand style.	/ 5
Body Text	All body paragraphs use Normal style updated and formatted correctly according to Brand Style Guide.	Mostly correct font and color; some spacing or alignment issues.	Multiple inconsistencies in font, spacing, or alignment.	Body text doesn't follow any brand guideline.	/ 5
Title Page	Title page manually created. All content center-aligned with proper spacing. Title field, name, student number, and set included. Formatted according to Brand Style Guide.	Title field inserted but some formatting errors.	Title field not inserted and some formatting errors.	No title page.	/ 5
Table of Contents (TOC)	Automatically generated using Word feature with Automatic Table 1 or Automatic Table 2 styles. Formatted correctly using Brand Style Guide. No other text on page/pages.	TOC is present but not automatically generated or has minor style issues.	TOC exists but is not functional or consistent.	TOC missing or completely unstyled.	/ 5
Figures and Captions	All 4 figures have captions with correct content and original titles have been replaced. Caption style has been modified according to Brand Style Guide.	Captions inserted with style modified according to Brand Style Guide but some formatting errors.	Captions inserted and formatted but style not modified.	Text not replaced with captions.	/ 5
List of Figures	Automatically generated using Word feature. Title added. Formatted correctly using Brand Style Guide. No other text on page.	List of Figures is present but not automatically generated or has minor formatting/style issues.	List of Figures exists but is not functional or consistent.	List of Figures missing.	/ 5
Bulleted Lists	Bulleted list style has been modified according to Brand Style Guide.	Bulleted list style modified according to Brand Style Guide but some formatting errors.	Bulleted lists formatted but style not modified.	No change to bulleted lists.	/ 5

Criteria	**Level 4** 5 points	**Level 3** 3 points	**Level 2** 1 point	**Level 1** 0 points	**Criterion Score**
Citations (In-text)	All citations APA Style 6. First citation in document has source updated.	Citations **not** APA Style 6 **but** first citation updated.	Citations APA Style 6 **but** first citation **not** updated.	Citations **not** APA Style 6 **and** first citation **not** updated.	/ 5
Bibliography / References	Automatically generated using Word feature. Formatted correctly using Brand Style Guide. Appears on its own page.	Not automatically generated using Word feature **but** formatted according to Brand Style Guide.	Not automatically generated **and** not formatted according to Brand Style Guide.	Bibliography/References missing.	/ 5
Page Numbers	Title field and page numbers aligned right. Footer is formatted according to Brand Style Guide. Title page counts as page 1 without displaying its number.	Title field and page numbers are present, with minor formatting **or** alignment errors, **or** page number is visible on title page.	Title field is missing or incorrect, **and/or** page numbers **or** footer formatting have significant errors.	No footer included.	/ 5
Section Break and Page Numbering	Section break correctly inserted before Bibliography/References. Footer unlinked from previous section. Page numbering is visible and changed to A, B, C, starting at A. Previous section's numbering remains unchanged.	Section break correctly inserted, but **minor errors** in footer linking **or** page numbering.	Section break inserted, but footer linking **and/or** page numbering are **largely incorrect**.	No section break inserted before Bibliography/References.	/ 5
Branding Consistency	Font, color palette, spacing, layout (e.g. margins), etc. are consistently aligned with the Brand Style Guide throughout.	Mostly consistent with a few lapses.	Many branding elements are off or inconsistent.	No attempt to apply the style guide.	/ 5

Total	/ 60
